Tel: 0131 449 8000

Fax: 0131 449 8084

Please tick the appropriate boxes and complete the form below:

I would like to attend the Asbestos in Gardens Seminar at IOM, Edinburgh on 27th October 2009. **I enclose the course fee of £60.**

[Make cheques payable to IOM Consulting Ltd]

I cannot attend on these dates, but would like to receive details of alternative dates when further events have been scheduled.

I would like to be contacted to discuss getting support from IOM for managing asbestos contamination.

Name:

Company:

Address:

Telephone Number:

E-mail address:

Places are available on a first come, first served basis.

Final confirmation of delegates' places will be sent out at least 7 days prior to the seminar with directions and joining instructions.

Did you know?

You are only a phone call or a mouse click away from accessing the full range of **IOM Services** in asbestos. These are underpinned by an unrivalled body of knowledge, and more than three decades of service provision and research. We provide a wide range of health and safety services encompassing many diseases and risk factors. We can help you with large issues and small, and our services include:

- Type 1, 2 and 3 surveys of asbestos in buildings
- Collection of materials for analysis
- Production and maintenance of asbestos registers and management databases
- Asbestos management services
- Laboratory analysis of asbestos in bulk materials
- Four stage clearances and asbestos in air monitoring
- Scanning electron microscope analysis of trace contamination
- Expert witness services
- Quantitative risk assessments

Our purpose is to help you keep workers healthy. Our teams of scientists, clinicians, technicians and consultants include a number with international reputations in their fields of expertise. So, whatever your occupational health concerns, we'll give you access to real experts, who will listen, understand, and focus on providing the services and help that you need.
