Poster Presentations

All posters can be displayed throughout the duration of the meeting. You will be allocated a specific poster board number at registration. All presenters are to put up their poster at the correct location by no later than 10:00 on the day of their presentation. Posters should be removed following the close of the meeting on that day.

The poster boards are A0 portrait size (see below for diagram). Your posters can be affixed to the boards using sticky-backed Velcro strips, which will be provided at the venue.

If you wish to produce your poster in Edinburgh, there is a nearby print shop, [Teviot Print Shop](#), 13 Bristo Pl, Edinburgh EH8 9AJ. You can email them in advance (info@teviotprintshop.com) or bring your poster on a memory stick in-person (ensuring sufficient time for printing). Posters should be in pdf or jpeg format. See the following page for further details.

Thank you and we very much look forward to welcoming you to Edinburgh!
